Governor Rell Kicks off 2006 OPERATION E.L.F. For Connecticut Troops and Their Families

HARTFORD, Conn., -- Governor M. Jodi Rell and the Connecticut National Guard announces this year's kick off of -- Operation E.L.F. (Embracing Lonely Families) to help Connecticut servicemembers and their families during the holiday season.

**Governor Rell will officially kick off this year's Operation E.L.F. on
Thursday, November 2, 2006, 2:00 p.m. at the Hartford Armory.**

"The holidays are usually a time for festive family get-togethers and celebrations. This year, many military families will spend the holidays worrying about and missing their loved ones who are on active duty," said Governor Rell. "Many of our Connecticut servicemembers, in turn, are worried about their families back home.

"We're grateful for the courageous service of our men and women in uniform serving in Iraq and Afghanistan. One meaningful way we can say thank you is to make sure that the families that they have left behind are given any help they need," she said.

Currently 970 Connecticut National Guard Soldiers and Airmen are mobilized and deployed in support of Operation Iraqi Freedom and Operation Enduring Freedom.

This year's Operation E.L.F. will focus on helping family members and the children.

For the families, donations of new, unwrapped toys for all age groups, both sexes, are being sought. Also being solicited are grocery gift cards which may be used to buy holiday dinners and phone cards which may be used to call their deployed loved ones. Donations of fuel oil, Christmas trees, snow removal services and other in-kind services, as well as financial contributions may be made to the Connecticut National Guard Foundation, Inc.

Many of the toys that are collected will be distributed to deployed families during a special holiday dinner which is scheduled for mid-December. Other toys will be held by families to be placed under trees on Christmas morning.

Grocery gift cards and pre-paid phone cards will be used throughout the holidays and beyond for families in need. Many military families face financial pressures because activated soldiers have seen the elimination or reduction of their civilian job paychecks.

“It will be a difficult holiday season for many Connecticut families. But we can make a heartfelt difference and we can bring the warmth of holiday season to our military families by participating in Operation E.L.F. Please, help us remember our Soldiers, Airmen and their families. Help us lift spirits and send a message of love, hope and peace for 2006,” said Governor Rell.

Operation E.L.F. was established in 2003 by then Lieutenant Governor M. Jodi Rell as a sincere gesture of support to our military families who were separated during the holiday season due to deployment, and also potentially suffering tremendous financial hardship as a result of their call to active duty. Operation E.L.F. also provided the generous citizens of our great State an opportunity to “do something” to show their support of our men and women in uniform and their families who are also called to serve during mobilization.

“Our sincere thanks to Governor Rell and the generous people of Connecticut for making Operation E.L.F. over the last few years an overwhelming success,” said Maj. Gen. Thaddeus J. Martin, Adjutant General and Commander of the Connecticut National Guard.

Through Operation E.L.F. there are other programs to help out a Connecticut servicemember. New, unwrapped toys for newborns through eighteen year-old young adults are needed. Toys may be dropped off at following armories beginning Monday, November 6, 2006 through Monday, December 11, 2006 between the hours of 8:30 a.m. and 4:00 p.m. -

You can support a Soldier by supporting their family with the donation of a gift card to a local grocery or department store, gas station or pharmacy. These cards can be given to families so that they can choose what they need most. Cards of any denomination are most welcomed and appreciated.

Gift cards may be delivered to any one of our drop-off locations or, if you prefer, they can be mailed to:

Connecticut National Guard
Office of Family Programs
360 Broad Street
Hartford, CT 06105-3795

If mailing a donation, please be sure to include your name, address and phone number so that we can send an appropriate acknowledgement of your contribution. Another is the Adopt-A-Family program to assist those families who are suffering an extreme financial hardship as a result of their service member's call to Active Duty. Individuals or businesses may "adopt" a family from this category and help them have a great holiday season. The name of the family is never revealed to the adopting person or organization. Rather, a summary of the family's demographics and wish list are provided. Gifts are delivered by that family's case worker along with any the name of the donor, if so desired.

You can volunteer some of your time and expertise to the Handyperson Hotline Center. Contact Sgt. Maj. Toby Cormier at (860) 209-0770 for further information.
